

Suprox[®] Ready-To-Use

A powerful tile and grout cleaner formulated with the cleaning power of hydrogen peroxide. It contains thickening agents that help the cleaner cling to surfaces, maximizing contact time for better performance. Suprox Ready-To-Use can be used on most tile and grout surfaces, bathroom and shower room surfaces, and bathroom fixtures like sinks, toilets, and urinals.

Features & Benefits

- Cleans with the power of peroxide.
- Thickening agents maximize contact time for better performance.
- Reduced toxicity.

Directions

Do not dilute. For wall surfaces, spray on tile and grout, let stand for 5 minutes, agitate with soft brush, rinse with clean water. For tile floors, pour product onto area to be cleaned, spread with brush, let solution stand for 5 minutes, agitate with brush or floor pad, pick up solution with a mop or wet vacuum, rinse with clean water. To conserve energy always use cold tap water.

NOTICE: Do not use with ammonia or bleaches. Do not use on marble, terrazzo, resilient flooring, aluminum, or galvanized metal.

Safety

See material safety data sheet and product label for safety information, handling and proper use.
