

# Bodily Fluid Disposal Kit

For containing and cleaning blood and bodily fluid spills while minimizing the risk of exposure to bloodborne pathogens. Kit contains: 1 qt. Hillyard QT-TB disinfectant/cleaner, 1 trigger sprayer, 1 clean-up absorbent pack, 1 disposable apron, 1 pair disposable goggles with top & side shields, 1 pair latex gloves, 1 scoop, 1 scraper, 2 biohazard red plastic bags with twist ties, 1 - 8 oz. bottle chlorine concentrate, 3 disposable towels, 2 chlorhexidine towelettes, 1 pair shoe covers, 1 disposable high performance splash protector face mask with 99% filtration.

## Features & Benefits

- Efficient, safe, and sanitary.
- Use with confidence to remove infectious substances safely.
- Meets the Recommendations of CDC, OSHA, HHS, APIC, and BSI.

## Directions for Use

The Hillyard Bodily Fluid Disposal Kit (item #HIL0018204) provides efficient, safe, and sanitary removal of vomit, blood, feces, urine, and other potentially infectious substances. According to CDC recommendations and other studies, after gross contamination is removed, a 1:10 dilution of 5.25% Sodium Hypochlorite for a contact time of 10 minutes is recommended for clean-up of blood and body spills.

Refer to instructions included with kit for specific directions for use.

## Safety

See material safety data sheet and product label for safety information, handling and proper use.
