

Defcon[®]-2R

HILLYARD
I-FORCE[®]

Defcon[®]-2R is the 5 gallon bag-in-box SUPER concentrate refill used to make Defcon R Concentrated Degreaser. Simply fill an empty Defcon 2 drum with 40 gallons of water, empty one 5 gallon Defcon-2R into the drum and top-off with 10 gallons of water. The result is 55 gallons of Defcon 2 Concentrate which is further diluted at a rate of 4 to 8 oz. per gallon of water to make ready-to-use degreaser. One 5 gallon bag-in-box of Defcon-2R makes up to 1,815 gallons of ready-to-use degreaser!

Features & Benefits

- Designed to remove everyday grease and grime.
- Super-concentrated.
- Space-saving, it's like having an extra drum on the shelf.

Directions

Directions for filling 55 gallon drum: Defcon-2R is a super concentrated degreaser and is to be diluted 1:10 before use. Add approximately 40 gallons of water to empty 55 gallon drum (3/4 full), then add 5 gallons Defcon-2R, finally add approximately 10 gallons of water to drum, fill slowly to avoid excessive foaming.

Directions for filling 275 gallon tote: Fill tote with approximately 200 gallons of water, add (5) 5-gallon Defcon-2R packages, finally add approximately 50 gallons of water to tote, fill slowly to avoid excessive foaming.

Directions for use after making drum or 275 gallon tote of Defcon 2 Concentrate:

Light Cleaning (with autoscrubbing equipment): Dilute: 4 oz. Defon 2 per gallon of water.

Heavy Cleaning: Dilute: 6 oz. Defon 2 per gallon of water.

Heavy Duty Degreasing: Dilute: 8 oz. Defon 2 per gallon of water.

NOTICE: Test solution on inconspicuous area when using on a surface for first time. DO NOT PROCEED if adverse effects occur on paint, metal, or other surfaces. Rinse vehicles and glass thoroughly after use.

Certifications, Registrations & Notes

NSF Registered A1, A4

Safety

See material safety data sheet and product label for safety information, handling and proper use.

HMIS	Concentrate
Health	3
Flammability	2
Reactivity	0

Technical Specifications

Color	Light amber
Scent	Non-Objectionable
Appearance	Clear, light amber liquid
pH (concentrate)	12.00 - 13.50
Non-Volatile Matter	33.00 - 35.00%
Dilution Rate	1:10
