

GR-1000

HILLYARD
I-FORCE

GR-1000 Graffiti Remover is designed to remove paint, crayon, marker, pencil, pen, lipstick, paint pens, marking paint and most any form of graffiti from large surfaces such as bridge abutments, portable toilets, street signs, walls, and sidewalks.

Features & Benefits

- Concentrated formula with a wide range of dilutions.
- Pleasant fragrance.
- Works on multiple surfaces.

Directions

Dilution Instructions:

Heavy Graffiti: Use full strength

Moderate Graffiti: Use 1:1

Permanent Marker Type Graffiti: Use 1:10

Pre-test an inconspicuous spot for color fastness prior to use. For graffiti on painted surfaces, apply graffiti remover to a rag or "white pad," then wipe on target surface. More difficult problem areas may require standing time for the product to work. When using on masonry, the use of a soft bristled scrub brush will assist in the removal of target problem.

Safety

See material safety data sheet and product label for safety information, handling and proper use.
