

L.F.D. Low Foaming Degreaser

HILLYARD
I-FORCE®

Formulated to take on the challenges of industrial cleaning, L.F.D. is perfect for use in autoscrubbers. As its name implies, it's a low foam degreaser that allows for enhanced productivity by keeping foam in the recovery tank to a minimum. This means more time spent cleaning and less time spent refilling. L.F.D. can also be used in a mop bucket or trigger sprayer to spot-clean areas where an autoscrubber is impractical.

Features & Benefits

- Keeps foam in the recovery tank to a minimum.
- Butyl-based formula works quickly to remove industrial soils.
- Concentrated for economical cost-in-use.

Directions

LIGHT CLEANING: Dilute 1:32 (4 oz./gal.).

MEDIUM CLEANING: Dilute 1:16 (8 oz./gal.).

HEAVY CLEANING: Dilute 1:10 (12 oz./gal.).

EXTREMELY HEAVY GREASE REMOVAL (SPOT CLEANING): Dilute 1:5 (21 oz./gal.).

Safety

See material safety data sheet and product label for safety information, handling and proper use.
