

# Citrus-Scrub® 90

HILLYARD  
**I-FORCE**

Citrus-Scrub 90 is equipped to tackle asphalt, industrial oil, tar, carbon, adhesives, rubber burn marks, and more. Use Citrus-Scrub 90 to safely remove asphalt and rubber marks from machinery, tools, engines, concrete floors, metal surfaces, and more. Citrus-Scrub 90 delivers industrial strength yet contains no bleach, ammonia, phosphates, harsh acids, or alkalies.

## Features & Benefits

- Industrial strength degreaser.
- Contains no bleach, ammonia, phosphates, acids or alkalies.
- Pleasant orange scent.

## Directions

**Heavy Duty Use:** Apply CITRUS SCRUB 90 undiluted with a mop, sponge, sprayer, or scrub brush. Allow product several minutes of dwell time to dissolve heavy build-up. Scrub surface and rinse with clean water. Extremely heavy soil may require a second application and additional dwell time.

**Normal Use:** Dilute CITRUS SCRUB 90 1:1 with water and apply immediately. Product will separate if allowed to sit for extended periods. Wipe surface clean with wipe dry industrial wiper.

**Parts Washing and Dip Tank Use:** Submerge parts in CITRUS SCRUB 90 in parts washer. Rinse with clean water when finished. Apply a corrosion inhibitor to parts as a finishing step to prevent rust.

**NOTE:** Do not use on floor surfaces other than concrete. CITRUS SCRUB 90 may dull or remove conventional floor seals and finishes. Do not use CITRUS SCRUB 90 prior to coating concrete.

**NOTICE:** Do not store product above 120°F (49°C). Improper storage may expand container and rupture the package. In case the container expands, carefully vent the package through the cap or bung. All handling equipment should be electrically grounded. Emptied containers may retain hazardous residue and explosive vapors. Keep away from heat, sparks, and flames. Do not cut, puncture, or weld on or near this container. Follow label warnings until container is thoroughly cleaned or destroyed.

## Certifications, Registrations & Notes

USDA Certified Biobased Product - 94%

## Safety

See material safety data sheet and product label for safety information, handling and proper use.

## HMIS

	Concentrate
Health	2
Flammability	3
Reactivity	0

## Technical Specifications

Color	Orange
Scent	Citrus
Appearance	Clear to Slightly Translucent
pH (concentrate)	N/A
Non-Volatile Matter	9.00 - 10.00%
Dilution Rate	RTU - 1:1

## Availability

Item	Pack
HIL0048404	12 - 1 Quart Bottles
HIL0048406	6 - 1 Gallon Containers
HIL0048407	1 - 5 Gallon Pail
HIL0048409	1 - 55 Gallon Drum
HIL0048411	1 - 275 Gallon Tote
