

LT Concrete Seal

HILLYARD
CONCRETE
DEFENSE®

LT Concrete Seal provides fast-drying clear coat protection for improved dust control, excellent gloss, and enhanced durability under pedestrian and hand cart traffic. LT Concrete Seal makes floor cleaning easy, and it is part of the Hillyard Concrete Defense system. Hillyard Concrete Defense changes the way coatings are applied - delivering professional results without the cost of professional application. Traditional coatings, designed for in-house application, often fail because surface preparation is too complicated and labor intensive. Our proprietary primer-based system greatly simplifies prep work - eliminating typical steps like acid-etching, grinding and shot-blasting. LT Concrete Seal is designed to be used with Hillyard Concrete Primer. Hillyard Concrete Primer chemically bonds the coating to the surface, resulting in a protective shell that looks great and performs well under traffic. Get professional results, get Hillyard Concrete Defense.

Features & Benefits

- High molecular weight acrylic co-polymer.
- No-mix single component, water-based low odor formulation.
- Dries in 1 hour under normal conditions.

Certifications, Registrations & Notes

Classified by Underwriters Laboratories, Inc. as to slip resistance. (186S).

Safety

See material safety data sheet and product label for safety information, handling and proper use.

HMIS

Concentrate

Health	1
Flammability	0
Reactivity	0

Technical Specifications

Color	White
Scent	Acrylic
Appearance	Milky Emulsion
pH (concentrate)	7.50 - 8.50
Non-Volatile Matter	24.50 - 25.50%
Dilution Rate	RTU

Availability

Item	Pack
HIL0049906	4 - 1 Gallon Containers
HIL0049907	1 - 5 Gallon Pail

Coverage Rate

Approx. coverage: 1,000 - 1,500 sq. ft./gallon
