

# Super Shine-All®

HILLYARD  
**CONNECT**

# 13

Concentrated, neutral pH formula won't harm your floor finish. Perfect for cleaning resilient tile, asphalt tile, vinyl floors, synthetic floors, terrazzo, quarry tile, paver brick, natural stone and coated wood floors. Protective sheen helps preserve and protect. Excellent choice for damp mopping and auto scrubbing. Effective in hard or soft, hot or cold water. Biodegradable. Phosphate free.

## Features & Benefits

- Concentrated for economical cost-in-use.
- Neutral pH won't harm floor finish.
- Unique sassafras fragrance.

### DIRECTIONS FOR USE:

Use of cold tap water is recommended. Use on any surface not damaged by water.

1. For use with the Hillyard Connect portable dispensing unit. Remove shipping cap and screw the portable dispensing unit onto the container. 2. Dispense diluted product into a bucket or auto scrubber. 3. This product is diluted at 1 oz./gal.

NOTICE: For use only with Hillyard Connect portable dispensing unit. Do not use with ammonia or bleaches.

LIGHT CLEANING: Damp mop or autoscrub.

NORMAL DAMP MOPPING: For heavy soil, work small areas, keeping floor wet at all times to prevent dissolved soil from drying. Pick up with wet vacuum or mop. Do not rinse after normal cleaning. Rinse with clean water before applying paint, finish, wax, polish, etc.

AUTOBURNISH: Burnish Method for Automatic Scrubbers: Apply with autoscrubber or damp mop. Let dry and polish with 100-D neutral polythermal pads under high speed floor machine (greater than 1000 rpm). The secret of Shine-All is in its six-fold action: WETTING, PENETRATING, SUDSING, DISSOLVING, EMULSIFYING, AND SUSPENDING.

## Certifications, Registrations & Notes

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

USDA Certified Biobased Product - 66%

Certified Kosher
