

Neutralizer

HILLYARD
ARSENAL®
18

Neutralizer is a high quality neutralizer and conditioner formulated to help eliminate alkaline residues on floors. On resilient and hard floors, its special chelating action ties up the insoluble alkaline salts left behind by alkaline strippers that can case floor finishes to powder or wear poorly. Neutralizer allows stripper residue to be quickly and easily removed. Its labor-saving formula eliminates multiple rinsing steps. On most floors, a flood rinse (using Neutralizer at 2 oz. per gallon), followed by a damp mop rinse with clean water, is all that's required. Neutralizer removes detergent residues left behind from repeated cleanings, and neutralizes any alkalinity in the carpet.

Features & Benefits

- Allows stripper residue to be quickly and easily removed.
- Labor-saving formula eliminates multiple rinsing steps.
- Works equally well on carpets!

Directions

Arsenal II

1. For use with Hillyard Arsenal Push Button Dispensers. Remove shipping cap and attach adapter cap to the concentrate. Place into either a wire rack or cabinet.
2. Dispense diluted product into a sprayer, mop bucket, autoscrubber, or carpet extractor.

Arsenal Junior & Mobile

1. For use with Hillyard Arsenal Push Button Dispensers. Remove shipping cap and insert container into bottom of dispenser until it locks into place.
2. Dispense diluted product into a sprayer, mop bucket, autoscrubber, or carpet extractor.

Arsenal Hil-Pac

Empty contents of pouch into 2 gallons of water.

Arsenal One

1. For use with the Hillyard Arsenal One dispensing systems. Remove shipping cap and insert this container into the dispensing system.
2. Secure dispensing system cap to refill container. Dispense product by selecting the product on the dispenser control panel and press the button to dispense product into bottle.
3. For bucket fill, attach bucket fill hose BEFORE dispensing product.

NOTICE: Over-wetting of carpet may cause shrinkage and browning.

Safety

See material safety data sheet and product label for safety information, handling and proper use.

HMIS

	Concentrate/RTU
Health	2/0
Flammability	0/0
Reactivity	0/0

Technical Specifications

Color	Blue
Scent	Non-Objectionable
Appearance	Clear Liquid
pH (concentrate)	6.50 - 7.00
Non-Volatile Matter	25.00 - 26.00%
Dilution Rate	1:64

Availability

Item	Pack
HIL0081806	4 - "F" Style 1 Gallon Containers
HIL0081822	6 - 1/2 Gallon Containers
HIL0081894	36 - 4 oz. Packets
HIL0081825	4 - 2.5 Liter Containers
