

Clean Action® II Unscented

HILLYARD
CARPET
SOLUTIONS

A high-quality, concentrated, low-foaming carpet extraction cleaner. It is specially formulated to deliver deep cleaning action...right to the base of the fibers. Unscented Clean Action II is formulated to enhance carpet color without leaving an oily or greasy residue to dull colors and attract unwanted dirt.

Features & Benefits

- Low-foaming carpet extraction cleaner.
- Free rinsing formula leaves carpet residue free.
- No added fragrance.

Directions

1. Place Wet Floor signs in area to be cleaned.
2. Remove furniture. Vacuum carpet thoroughly to remove dry soil.
3. Dilute cleaner in the extractor at 1 oz. per gallon with hot water. Test cleaner solution for colorfastness and effect on texture on an inconspicuous area before cleaning.
4. Extract with hot water, not to exceed 150°F (66°C). Move the self-contained extractor or wand over the carpet pile very slowly.
5. Allow carpeting to thoroughly dry before replacing furniture, removing wet floor signs, and opening to traffic. Air blowers will aid in this drying process. When replacing furniture, use leg pads to prevent rust or furniture stains.

NOTICE: Over-wetting of carpet may cause shrinkage and browning.

Safety

See material safety data sheet and product label for safety information, handling and proper use.

HMIS

Concentrate

Health	2
Flammability	0
Reactivity	0

Technical Specifications
