

Green Select® Bathroom Cleaner

HILLYARD
The Cleaning Resource®

Green Select Bathroom Cleaner is formulated to be non-toxic, phosphate free, biodegradable, and non-flammable. Contains no hazardous ingredients and is formulated with glycolic acid, the same organic acid found in sugar cane, beets and fruits. Effective cleaning removes soap film and hard water deposits. Good for cleaning ceramic tile, porcelain, sinks, toilet bowls, fiberglass, plastic, chrome, showers, and bathroom surfaces.

Features & Benefits

- Contains no hazardous ingredients.
- Concentrated for economical cost-in-use.
- Green Seal certified.

Directions

For use on basins, bowls, porcelain, ceramic tile, stainless steel, fiberglass, plastic, chrome, showers, and washroom surfaces.

Normal Cleaning: Use a dilution rate of 1:20 (6 oz./gallon).

SPECIAL INSTRUCTIONS: GREEN SELECT BATHROOM CLEANER can be applied with soft bristle brush or mild abrasive pad. For hard water deposits or heavy soil allow more dwell time to penetrate and loosen soil; rinse thoroughly. To use as an everyday mild bowl cleaner dilute at 1:20 (6 oz./gallon).

To conserve energy always use cold tap water.

Certifications, Registrations & Notes

Green Seal Certified

*This product meets Green Seal™ Standard GS-37 based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

Safety
