

# HILLYARD BODILY FLUID DISPOSAL KIT

HIL0018204  
HIL31000

## PROVIDES EFFICIENT, SAFE, AND SANITARY REMOVAL OF POTENTIALLY INFECTIOUS SUBSTANCES

### *Efficient, Safe, and Sanitary*

The Hillyard Bodily Fluid Disposal Kit (item #HIL0018204) provides efficient, safe, and sanitary removal of vomit, blood, feces, urine, and other potentially infectious substances. According to CDC recommendations and other studies, after gross contamination is removed, a 1:10 dilution of 5.25% Sodium Hypochlorite for a contact time of 10 minutes is recommended for clean-up of blood and body spills.

### *Use With Confidence To Remove Infectious Substances Safely*

To help you assist you in removing any potential, infectious substance safely, this kit contains everything you need. It comes complete with one quart of Hillyard QT-TB® (a quaternary based disinfectant spray cleaner), one trigger sprayer, clean-up absorbent pack, a disposable apron, disposable goggles, disposable gloves, scoop, scraper, two Biohazard red plastic bags with twist ties, an 8 oz. bottle of chlorine powder concentrate, three disposable towels, two chlorhexidine towelettes, disposable shoe covers, disposable splash protector face mask, a picture instruction sheet, and an exposure report form. The Hep-Aid Refill Kit (item #HIL31000) contains all items listed above *less* the quart of Hillyard QT-TB.

### *Meets the Recommendations of CDC, OSHA, HHS, APIC, and BSI*

Fully compliant with the occupational exposure recommendations to blood borne pathogens of the Center for Disease Control, Occupational Safety & Health Administration, U.S. Dept. of Health and Human Services, Association for Practitioners in Infection Control, and Hospital Approved Body Substance Isolation Procedures. Ideal for use in public facilities, transportation, childcare, and medical environments.

WITH GOGGLES, FACE MASK, APRON, & SHOE COVERS

**DIRECTIONS:** Refer to instructions included with kit.

**CONTAINER DISPOSAL:** Since empty containers retain product residue, all labeled hazardous precautions must be observed; follow label warnings even after package is empty. Do not reuse empty package for other products. Commercial clean empty container (or equivalent).

**DISPOSAL:** Buyer assumes all risk and liability associated with disposal of this product (original concentration or dilution) in violation of applicable law.

**DISCLAIMER OF WARRANTY**

Seller makes no warranty of any kind, express or implied, except that this product shall be of seller's standard quality.

**CAUTION**  
**MAY CAUSE RESPIRATORY OR OCULAR IRRITATION**

**CONTAINS:** SODIUM HYPOCHLORITE (CAS #7681-52-9) AND DIATOMACEOUS EARTH (CAS # NONE). Provide adequate ventilation. Wash thoroughly after handling. Do not take internally. If spilled, avoid fumes from spilled materials and dilute copiously. Dilute with copious amounts of water and then mop up. Use normal precautions for handling caustic substances.

**FIRST AID:** If you experience difficulty in breathing, leave the area to obtain fresh air. If continued difficulty is experienced, give artificial respiration if not breathing and get medical assistance immediately. **SEEK MEDICAL ATTENTION.** In case of eye contact, immediately flush with cool running water for at least 30 minutes; for skin, immediately flush skin with running water for at least 30 minutes. **SEEK MEDICAL ATTENTION.** If ingested, swallow immediately milk, egg white, milk of magnesia, or starch paste. **CONTACT A PHYSICIAN OR POISON CONTROL CENTER IMMEDIATELY.** Never give anything by mouth to an unconscious person.

See Material Safety Data Sheet for additional information.

**KEEP OUT OF REACH OF CHILDREN**
